

讓我靈自由

詞/曲：陳美宏

$\text{♩} = 140$ C

Let My Spirit Be Free, let My Spirit Be Free, only
rely on Jesus' precious blood, day by day,
change me, help my spirit, help me get away,
update me, create a clean heart for me, inside,
dark shackles. Let me have a righteous spirit. Lord,
the Holy Spirit is bigger than the world, your love is
better than life, give me freedom, give me humility
to serve you, give me a heart that loves you.
